

2021 NORTH DAKOTA 4-H CONSUMER DECISION MAKING CONTEST

Junior Registration Form

Ages 10-13 (age 10 before September 1 and up to age 13 as of December 31 of the current 4-H year – 2020). Youth who are 8-9 years of age before September 1 of the current 4-H year MAY choose to participate in the junior division.

Complete this form and return by July 12th to the Center for 4-H Youth Development, or email the completed form(s) to claire.alderman@ndsu.edu. Counties can enter an UNLIMITED number of junior teams (3-4 members) in the state contest. Counties entering a junior team or teams may enter individual participants in the state contest. However, those individual participants may not combine with another county to form an additional junior team.

If a county has multiple junior teams, the names of the youth on each team must be designated on a registration form by the registration deadline. Please use a separate registration form for each team. Use an additional registration form for individual participants.

Substitutions may be made on the day of the contest, as long as the substitutions are youth who are from the same county or county combination that was registered.
