

Nick Scott

Motivational Speaker

Nick Scott was an ordinary teenager with an interest in athletics when, at the age of 16, a near-fatal traffic accident changed life as he knew it forever. After the accident, Nick became overweight and discouraged but somehow found the determination, mindset and personal strength to transform his life from a debilitating tragedy into a personal triumph. Now he uses those hard-won insights to help others awaken the beast within themselves and achieve their personal goals.
