Ask yourself:

- What project(s) are you enrolled in this year?
- What was your purpose or focus?
- What did you want to learn?
- What do you want the judge to know or evaluate?

What is a 4-H Project?

Yearlong study of a topic

4-H members begin by exploring their interests and may select one or more projects. Using a variety of resources, one of which may be a project manual, youth are guided through the activities.

One of the most important aspects of 4-H project work is that 4-H members decide what they will learn and do as they explore their project. This allows the project to be self-paced, and gives youth important skills in setting and working toward their goals.

NDSU EXTENSION SERVICE

County Commissions, NDSU and U.S. Department of Agriculture Cooperating.
NDSU is an equal opportunity educator, employer and provider.
Visit nds.edu/equity or call 701-231-7708.
