

PLAN OF STUDY

Retail Merchandising Option

The following combinations of courses are suggested semester schedules that allow the student to complete his/her major/option degree program in a four-year span. The arrangement of courses is based on which semesters the course is offered, the classification and the prerequisites or co-requisites required for successful completion of the course. The Plan of Study should be used with the curriculum guide. Remember, this is only a guide and circumstances may change the plan. **The official curriculum guide can be found at <https://www.ndsu.edu/registrar/academics/curricula/hde/>**
