

The Center for Child Development is a lab school for students at North Dakota State University. Student may have classroom assignments where they need to observe children's development and their use of the environment.

I, _____ parents/legal guardian of _____

- ◆ Understand that my child may be observed for classroom purposes while participating in the Center for Child Development.
- ◆ Understand that if a teacher is concerned for the safety or wellbeing of a child at pick up time, he/she will inform the parent of our concern and call a person authorized to pick up the child.
- ◆ Understand that an accreditation assessor will see my child's photo in the classroom portfolio as evidence of Accreditation standards.
- ◆ Understand that child's file will be available and reviewed by the program administrator and teaching staff.
- ◆ Understand that the Center staff will use the Center cameras to take photos of the children in the classrooms and at sponsored events. The Center for Child Development is not responsible for photos taken of the children by outside individuals, in public places such as on field trips, family picnics etc.
- ◆ DO ___/ DO NOT ___ give consent for my name, address, phone number and e-mail address to be released to other parents in the Center for play dates, birthday invitations, family night out, car pooling, etc.
- ◆ DO ___/ DO NOT ___ give consent for my child's picture to be used in publicity connected with the Center.
- ◆ DO ___/ DO NOT ___ give consent to post photographs of my child and their artwork within the classrooms.
- ◆ DO ___/ DO NOT ___ give consent to post photographs of my child and their artwork in Center hallways.
- ◆ DO ___/ DO NOT ___ give consent for my child's photo to be released to other families in the Center as part of the Individual Child Portfolio.
- ◆ DO ___/ DO NOT ___ give consent for my child's development to be screened or assessed by the Center for Child Development teachers and results shared with me.
- ◆ DO ___/ DO NOT ___ give consent for my child's picture to be taken to document growth and development for a student assignment. I understand that the pictures are the property of the Center for Child Development and will remain in the Center. Only the classroom camera will be used to photograph your child's development.
