## COLLEGE OF ENGINEERING

**SPRING 2019**

Stay Connected [f](#) [i](#) [t](#) [in](#) [v](#)

### Alumnae featured for Women's History Month

The project highlights more than a dozen female engineering role models.

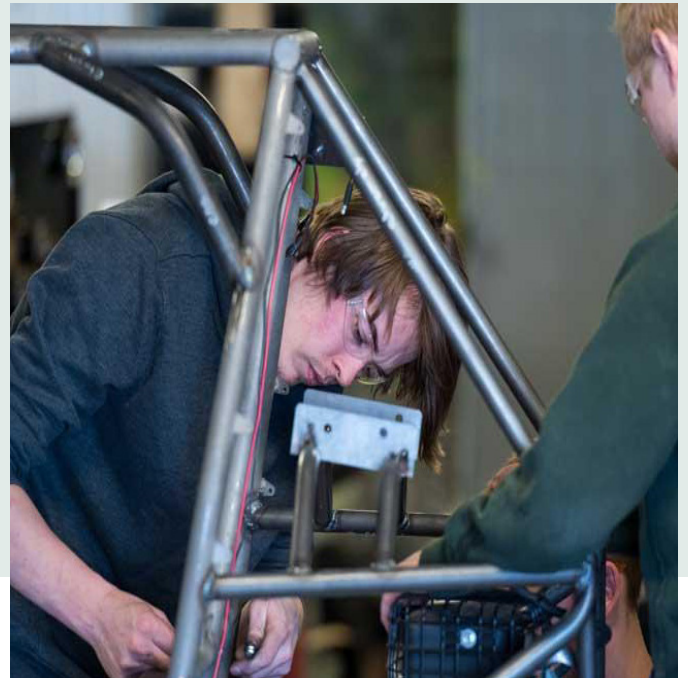

### Bison Robotics team to compete in world championship

The nine member VEX U team features students from several majors.

### Alumnus contribution sparks innovation

A \$100,000 charitable gift is helping students gain important hands-on experience outside the classroom.

### Engineering students race to learn through Bison Motorsports

Members of the NDSU chapter of SAE International build vehicles and participate in a variety of competitive teams.
