

Attention criminal justice professionals...

Earn your M.S. in Criminal Justice

Complete the degree **remotely** with no thesis
or major paper required!

About the Program

The Master of Science in Criminal Justice professional program consists of 27 credit hours of coursework and a 3-credit individual study on a topic of interest to the student.

This program is designed for working adults, especially those in criminal justice fields.

The courses are especially appropriate for those currently in, or who desire to pursue, a management or leadership position in criminal justice. Topics include criminal justice administration, program evaluation, risk management, and others.

Why our program?

The program is taught by enthusiastic and accomplished faculty members. Our goal is to deliver to you a top-notch M.S. in Criminal Justice that is accessible, attainable, and affordable.
