

Early-Entry Pathway

Welcome to North Dakota State University's Early-Entry Pathways program.

BUSINESS ADMINISTRATION

If you are interested in a degree in business administration, you can take early-entry courses to get started on your degree. Early-entry courses listed meet the requirements or electives of this major. These courses may be used to meet your general education requirements as well. We suggest you also review the list of recommended general education courses.

Mathematics for Business

MATH 144 | 4 credits
General Education Category: B

Mathematics of finance, linear programming and its applications in business, limits, continuity, derivatives, implicit and logarithmic differentiation, higher order derivatives, optimization and extrema, partial differentiation, extreme values of functions of two variables. Prereq: MATH 103, MATH 107, or placement exam. Credit awarded only for MATH 144 or MATH 146, not both.

Introduction to Psychology
