Volunteering in the Fargo-Moorhead community connects you in new ways and opens doors you might not expect. It helps you as much as it does the community. Think about interests you'd like to be more active in or explore. Missing your pets, younger siblings, past activities? Volunteer opportunities can help fill that gap. Volunteer hours are also a great thing to add to your resume. Check out the [Volunteer Network](#) through the [Student Activities Office](#) to find the right fit for you.

We collectively acknowledge that we gather at NDSU, a land grant institution, on the traditional lands of the Oceti Sakowin (Dakota, Lakota, Nakoda) and Anishinaabe Peoples in addition to many diverse Indigenous Peoples still connected to these lands. We honor with gratitude Mother Earth and the Indigenous Peoples who have walked with her throughout generations. We will continue to learn how to live in unity with Mother Earth and build strong, mutually beneficial, trusting relationships with Indigenous Peoples of our region.
