Spring WAS here, and after a hopefully brief winter weather system, summer will be on the way soon. In the coming weeks, take time to get outside and feel the sun. Enjoy any spring holidays you celebrate, and appreciate the changes that will be happening all around campus. Soak in the energy of the soon to return warmer weather and finish strong!

If you are looking for ways to get out and enjoy spring, create connections, and help our campus, take part in the upcoming Tote Bag Painting and Campus Cleanup events happening in April. You can learn more and sign up for these events [here](#). These events are sponsored by the President's Council for Campus Well-being, the Campus Well-being Educators, NRHH, and the Volunteer Network.

We collectively acknowledge that we gather at NDSU, a land grant institution, on the traditional lands of the Oceti Sakowin (Dakota, Lakota, Nakoda) and Anishinaabe Peoples in addition to many diverse Indigenous Peoples still connected to these lands. We honor with gratitude Mother Earth and the Indigenous Peoples who have walked with her throughout generations. We will continue to learn how to live in unity with Mother Earth and build strong, mutually beneficial, trusting relationships with Indigenous Peoples of our region.
