

FORWARD open house planned

FORWARD advocates are sponsoring an ally program open house on Wednesday, Sept. 29, from 3 p.m. to 4:30 p.m. in the FORWARD Conference Room, 316E Family Life Center. The event is an opportunity for male faculty to learn more about how they can support the FORWARD project and women faculty, meet other allies and learn about upcoming ally training sessions. Advocates will offer ally training twice this semester and twice spring semester. Training this semester will be held Wednesday, Oct. 13, and Tuesday, Nov. 30. The training on Nov. 30 is designed specifically for faculty men in the College of Science and Mathematics. Training in the spring will be Feb. 2 and April 12.
