

IRB/IACUC/IBC Compliance Notification

Name:

ID #:

Degree:

Program:

The above-named candidate is completing a

Yes No Did the student’s research involve humans (i.e., surveys, interviews, focus groups, or any procedures involving human subjects)?

If YES, the student must attach a copy of the IRB approval letter.

Yes No Did the student’s research involve live vertebrate animals?

If YES, the student must attach a copy of the IACUC approval letter.

Yes No Did the student’s research involve biohazards (recombinant DNA; infectious agents; or human blood, bodily fluids, or tissues)?

If YES, the student must attach a copy of the IBC approval letter.

A "Yes" answer to any question requires that proper documentation from the approval body be attached. This documentation must include the name of the above student showing that the student was approved as part of the protocol (for example as investigator, co-investigator, or research team).
