Award Inventory (Grants – Interactive Reports – Award Inventory)

The Award Inventory inquiry provides basic award information and allows you to drill down to the award by clicking the award ID hyperlink. The inquiry can be ran by Sponsor ID or Award PI ID or both. By selecting the Award Status of "Accepted" all active awards based on your search criteria will be returned. Note the Award PI ID is that of the PI who received the overall award, if you are a Co-PI with a subject you would need the official Award ID rather than your project ID. The query NDU_GM94_POST_AWARD_INFO provides similar data. If you have questions on the Award Inventory Inquiry, please contact Grant and Contract Accounting.
