

## **Beverly Moyer – BS 1953, MS 1965 Food and Nutrition**

Beverly J. Moyer, 92, died peacefully on Saturday, September 23rd, 2023, at Lilac Homes in Moorhead, MN.

Beverly, beloved wife, mother, aunt, sister, and friend, known to many as Bebe, lived a long and full life. Beverly is survived by her children, Steve and Karen, and her grandchildren, Isabel, Lucinda, Bowman, and Jonas.

She grew up in New Rockford and Fargo, North Dakota, graduating from NDSU with a master's degree in dietetic sciences and an enthusiasm for the Bison. She interned as a dietician at the University of Minnesota, subsequently working for 15 years at the Veterans Hospital in Fargo. Bev married Paul Peterson in 1959, who died tragically in a car accident in the same year. In the late sixties, she met Gerald Moyer, they married and soon welcomed their son Steve. They were married for 49 years, creating a life filled with love, family gatherings, friends, and hard work. She was an avid golfer, bridge player, artist and loved to travel. Her family is eternally grateful to the many good friends and family that called and visited her in the last year of her life. She was loved by many and will be sorely missed by all.
