

Cathy VanMiddlesworth – Diploma 1973 Bismarck Hospital School of Nursing

Cathy Lynn VanMiddlesworth, 72, Mandan, joined her heavenly family members on September 11, 2023. She chose to live each day fully despite her battle with pancreatic cancer. Per Cathy's request a small service was held.

Cathy was born to Clyde and Coralyn Hoovestol on Feb 6, 1951. She married John VanMiddlesworth on Sept 5, 1970, and their incredible son, Jason, was born a few years later. Originally trained as an RN, Cathy found her true passion in real estate. Cathy (and John) helped many people find their perfect homes in the community.

Cathy is survived by her college sweetheart, John VanMiddlesworth, her mother, Coralyn Hoovestol, her sisters, Caryn and Darryl Schatz, Cindy and Mitch Kaelberer, Connie and Scott Beierle, Cherie and Jon Sanstead, many nieces and nephews and incredible friends.

Cathy is preceded in death by her son, Jason, her father, Clyde Hoovestol, niece, Callie Jo Haux, her in-laws, Ed and Clara VanMiddlesworth, her grandparents, Joe and Myrtle Hoovestol and Ed and Lucille Reef.

In lieu of flowers, Cathy requests everybody to make it a point to PAY AN ACT OF KINDNESS FORWARD or make a donation to your favorite charity.
