

NDSU | Professional Athletic Training Program

Fargo Force at Scheels Arena

Fargo Force is a Junior league hockey team where you will encounter both Orthopedic and Non-Orthopedic conditions which gives students an opportunity to practice evaluation skills on a variety of different injuries from dental injuries, fractures, sprains, strains, contusions, and more. Additionally, this site is hands on with modalities such as cupping, soft tissue immobilization, electrical stimulation, and ultrasound. Students will also have the opportunity to work with the team physician once a week.
