Explanation:

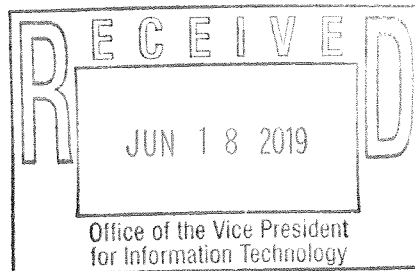

In the original timeline for the project proposal, we did not accurately account for the time it would take to for the project to be approved.

- The original proposed project completion date April 5th, 2019.
- Received funding award offer for Project on April 9th, 2019

Additional delays due to the change in Student Government leadership for the new term.

- Former Student Body President, Chase Grindberg's term ended in April/May 2019 and has graduated from NDSU.
- Time was needed to connect with Mason Rademacher, current acting Student Body President
