For All
2010 Kindergartners

*As a parent
are you wondering...*

- Is my child ready for kindergarten?
- Why is it so important that I read to my child?
- How can I make a difference in my child's education?
- What kinds of activities can I do with my child to prepare for kindergarten?

Is your child wondering...

- What it feels like being in a classroom???
 - What does the teacher expect of me?
 - What do I do in the classroom?
- FREE childcare**
FREE me?
Supper

This is a curriculum that prepares parents and preschoolers for entry into elementary school.

It includes:

- * Classroom environment with parent, teacher and preschooler
- * Preschoolers work on social skills (sharing, taking turns and not interrupting), vocabulary, etc.
- * Parents learn about brain development, importance of reading, developmental stages, and age appropriate activities
- * Understanding why your role is important for your child's success in school

Call West Dakota Parent & Family Resource Center to register @ **456-0007**.

“Crafty Kids & Can-Do Kids ”

March 9, 2009

Wanna get messy and have lots of fun with your kids? We'll bring out the paints and brushes and create a masterpiece along with strengthening your relationship! Tips and strategies will also be offered to grow a child with a “CAN DO” spirit!

“Setting Limits & Challenging Behavior ”

March 23, 2009

Feeling more like a push over than a parent lately? Kids are always testing our limits and checking out the “rules”. If you could use some new ideas for setting a limit and sticking to it, this may be just what you need.
