- [Research to benefit North Dakota](#)
- [Engineering construction and groundbreaking](#)
- [New Hettinger Research Extension Center facility](#)
- [Largest in-person student population](#)

Thank you for your continued support of North Dakota State University! We're sharing our stories about the transformative impact of NDSU on people and communities in North Dakota. Each excerpt highlights the positive outcomes of your commitment and investment in our university mission.

Join us as we come together to celebrate and showcase NDSU's academics and athletics in a great community during [Homecoming](#), Sept. 16-21 in Fargo.

Economic Diversification Research Funds from the North Dakota Legislature are helping NDSU advance three research projects that aim to find solutions to complex issues facing the state. The projects include research using sensors to make work zones safer. [Read more.](#)

INVESTING IN OUR FUTURE

Construction has started on the Richard Offerdahl '65 Engineering Complex, which received \$59 million from the state during the 68th Legislative Assembly. You're invited to attend a groundbreaking event scheduled during [Homecoming week](#) on Friday, Sept. 20 at 2 p.m. The premier engineering education facility is set to open in fall of 2026. [Read more.](#)

AGRICULTURAL IMPACT

The NDSU Hettinger Research Extension Center unveiled new and renovated multimillion-dollar facilities this year, aimed at advancing livestock research, enhancing community education and improving outcomes for North Dakota ranchers. The North Dakota Legislature funded these projects through capital improvement funds. [Read more.](#)

BY THE NUMBERS

NDSU has the largest in-person student population in the North Dakota University System, which helps drive the local and regional economy and bolsters the North Dakota workforce. [More NDSU statistics.](#)

93%
ON CAMPUS

NDSU HAS THE LARGEST
IN-PERSON STUDENT
POPULATION IN THE NORTH
DAKOTA UNIVERSITY SYSTEM.
