

Several websites provide guidance on how to garden in small places:

<http://www.apartmenttherapy.com/gardening-at-homebest-of-2011-163394> (Small space and innovative gardening)

<http://www.thekitchn.com/gardening-advice-reader-intelligence-report-189017> (The 5 best pieces of advice if you want to start a small container garden)

If looking for innovative gardening tips, check out ideas on Pinterest.

NDSU's Agricultural department also has great resources.
