There are many useful benefits available to all staff members at NDSU, but we're not always aware of every one of them; *if you don't know about a benefit, how can you take advantage of it?*

Here are some of the things Brittnee will cover:

- Open enrollment for health, dental, vision, and life insurance, and open enrollment for flexible spending accounts
- Optional benefits deductions such as long term care, cancer, hospital intensive care, accidental death & dismemberment, and supplemental life insurance
- Additional ways to save for retirement
- Tuition waivers and discounts for employees and family members

*Get more out of **your** benefits at NDSU!*
