NDSU Staff Senate Presents

Blackboard Organizations: How Can We (I) Use Them?

Wednesday, September 10, 2008
10:00 a.m. – 11:00 a.m.

Century Theater, Memorial Union

Lorna Olsen

Instructional Services Consultant and Blackboard Support
Information Technology Services

Blackboard – it's not just for classes anymore!

The Blackboard system in use at NDSU has an incredibly useful feature known as “Organizations”. An Organization allows many people within a group to collaborate and share information or files easily via the Web using Blackboard.

Come to this “mini-workshop” to learn more about organizations, ways your department or campus group can use them and how to get started!

Sponsored by the NDSU Staff Senate Staff Development Committee
