NDSU Staff Senate Presents **Digital Photography Tips!**

Wednesday
November 12, 2008
10:00 – 11:00 a.m.
Century Theater
Memorial Union

Bruce Sundeen
Electronic Media Specialist
NDSU Agriculture Communication

Using quality pictures to communicate a message can be very effective – both professionally and personally.

Learn how to capture high quality photos by simply using the proper camera settings and a little good composition.

This session is designed for people using “point and shoot” digital cameras and higher-end digital camera users as well.

Feel free to bring your digital camera to this session.

Sponsored by the NDSU Staff Senate Staff Development Committee
