

2014-2015 Scholarship Committee

The NDSU Staff Senate Scholarship Committee once again contacted businesses to donate items for the scholarship raffle. We had a smaller committee this year and were also limited to businesses outside of NDSU per new regulations from the NDSU Accounting office. Due to these changes, we decreased the number of raffle tickets printed. We printed 400 tickets. 355 were claimed by senators to be sold. Of those 355 claimed, we sold 283 tickets. We made \$1,418.00 from raffle sales - \$3 was donated. The raffle was held on Friday, December 5, 2014.

At the beginning of March 2015, we had scholarship applications available. Due to a decrease in funds, we opted to limit the applications to Staff and Staff Dependents only. We ended up with 29 applications from the dependents and 9 from staff.

Awards were given to 15 students and 7 staff with awards totaling \$3,100.00

The committee consisted of Daniel Erichsen, Carin Engler, Glenn Christensen, and Jena Swartz; with Wendy McCrory and Gennifer Sprecher assisting with the scoring of the applications.

Respectfully submitted,

Carin Engler
