

Report of Library Committee

2018-2019

May 8, 2019

The Library Committee met twice over the academic year:

2/28/2019, 4/18/2019

LibQual+ survey results were shared; this survey will act as a benchmark for future surveys. No actionable items have come out of the survey at this time.

In the past year, the Libraries has made the following replacement hires: Humanities Librarian, Research and Access Librarian, Sciences Librarian, Associate Dean of Libraries for Research and Learning, Emerging Technologies Services Coordinator, Web Developer, Stacks Supervisor, and Reserve Supervisor.

The library is operating a Digital Fabrication Lab, available to students and faculty alike.

Sean Burt finished his time as chair of the committee, and Andrew Clapper was unanimously voted in as the new chair of the Library Committee.
