

NDSU STUDENT HEALTH SERVICE

Campus clinic and pharmacy available to NDSU students

Committed to serving students' physical and mental health needs

Educating and promoting overall student well-being

Our Mission

To provide inclusive, quality health care while promoting overall student well-being

Our Vision

Promoting the well-being of students by empowering them with the knowledge, skills and spirit to take responsibility for personal, family and community health

Our Promise

With each student's unique needs, background and belief systems at the center of care, Student Health Service takes a holistic approach to providing the latest evidence-based treatment with compassion, respect and openness to each person's story.
