

BEST WAYS TO GET AROUND FARGO, ND

Just because you don't have a car, doesn't mean you're stuck on campus. Get out and see what Fargo has to offer!

Biking

Share the Road Fargo! The City of Fargo provides more than 33-miles of on-street shared and designated bicycle lanes making biking to your destination safer and easier than ever. Bike paths can be found at: [2017_fm_bikeways_map.pdf](#) (fargond.gov).

MATBUS U-Pass

NDSU students, staff, and faculty can all ride for free on the MATBUS with a current college ID. MATBUS offers routes all over NDSU's campus as well. Both city routes and campus routes can be found at: <https://matbus.com/routes>.

TapRide

TapRide is an on-demand service offered on NDSU campus during the academic year Monday - Friday, from 7:30pm to 11:00pm. Request your ride through the TapRide app. The bus can pick up and drop off only within a specific zone that covers NDSU campus and surrounding housing.

Apps to Download

Download the TapRide app and the MATBUS app to help navigate the routes and programs offered by MATBUS.

Uber and Lyft

Uber and Lyft are independent drivers that mimic taxis. Both companies have apps that you can download to get rides at anytime during the day.
