Mechanical Engineering Transfer Guide

Mechanical Engineering Program: 129 Credits

YEAR: 2019-2020

Effective Spring 2020

ICC students are encouraged to connect with NDSU admission and engineering advisors one full semester prior to transfer
Engineering Advisor: Joel.Hanson@ndsu.edu **Transfer Recruitment:** john.e.hest@ndsu.edu

- ICC students are encouraged to complete their Associates Degree prior to transferring to NDSU. Completing the Associates of Arts (AA) degree, Associates of Science (AS) degree, or the MN Transfer Curriculum prior to transferring will satisfy NDSU's required lower division Gen Ed credits (39 credits) upon transfer.
- Visit www.ndsu.edu/transfer, select "Transfer Resources", then "Transfer Evaluation System (TES)", then navigate to ICC to see ICC/NDSU equivalencies.
- Additional course substitutions may be available. ICC students must meet with NDSU dept advisor to review transfer work.
- Program requirements change periodically. It is the student's responsibility to be in contact with advisors from both institutions to obtain the most current program information to help ensure a smooth transfer.

Mechanical Engineering NOTES

- No grades less than a "C minus" will be accepted to fulfill a course requirement
- 2.7 GPA required for transfer students to be accepted into the Mechanical Engineering Program
