

**Articulation Agreement between
North Dakota State University
and
Cankdeska Cikana Community College**

Collaborative Natural Resource Management Program

Purpose of the Agreement: To define the terms and conditions of a renewed affiliation between North Dakota State University (herein after referred to as NDSU) and Cankdeska Cikana Community College (herein after referred to as CCCC). The purpose of this agreement is to provide seamless articulation of academic credits for students who have earned an Associate of Science (AS) degree in Natural Resource Management from CCCC to be applied in a credit transfer towards a Bachelor of Science (BS) degree in Natural Resource Management at NDSU.

Terms and Conditions of the Agreement:

- A. NDSU's admission and program admission requirements apply to both direct entry students and to students who transfer.
- B. Students must fulfill the graduation requirements at both institutions.
- C. CCCC must complete the entire Associate of Science in Natural Resource Management for the agreement to apply.
- D. NDSU will not limit the number of credits accepted from CCCC, however, students must earn a minimum of 60 credits from a baccalaureate-degree granting or professional institution.
- E. This agreement shall commence upon the date of the last signator to this agreement and shall remain in effect for a period for five years, unless terminated or amended by either party with 90 days prior written notice.
- F. The sending and receiving institution shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.

Transfer of Credits

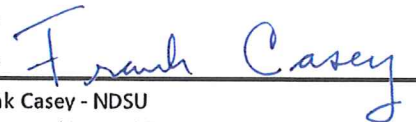

- A. In order to complete NDSU's Bachelor of Science in Natural Resource Management, a total of 120 credits are required. Students with transfer credit from another institution must earn a minimum of 60 semester credits from a baccalaureate-degree granting or professional institution.
- B. CCCC Associate of Science in Natural Resource Management graduates will transfer approximately 61-76 credits. Transfer credits will be applied to general education, NRM major requirements, or emphasis requirements.
- C. See attached Program Articulation Tables for full details.

Implementation and Review

- A. The College and University Administrators or designees of the parties to this agreement will implement the terms of this agreement, including identifying and incorporating any changes into subsequent agreements, assuring compliance with system policy, procedure and guidelines, and conducting a periodic review of this agreement.
- B. This Articulation Agreement is effective on 11/01/2020 and shall remain in effect until the end date of 11/01/2025 or for five years, whichever occurs first, unless terminated or amended by either party with 90 days prior written notice.
- C. The college and university shall work with students to resolve the transfer of courses should changes to either program occur while the agreement is in effect.
- D. This Articulation Agreement will be reviewed by both parties beginning **05/01/2025** (within six months of the end date).
