

Congratulations

on your NDSU Agricultural Affairs Core Values Award!

Thank you for your commitment to NDSU Agricultural Affairs and our core values. The Core Values Awards provide a way for NDSU Agricultural Affairs team members to recognize one another for their commitment to integrity, impact and innovation. Your colleagues see and appreciate the work you do. The core values are listed below.

COMMUNITY DRIVEN ♦ STUDENT FOCUSED ♦ STAKEHOLDER CONNECTED

INTEGRITY | IMPACT | INNOVATION

The Core Values Awards are peer-to-peer traveling awards, giving you the opportunity to recognize a NDSU Ag Affairs colleague. Here is how the Core Values Awards works.

- 1) Please proudly and prominently display your Core Values Award for one month.
- 2) During the first week of the next month, please present the Core Values Award to a colleague who:
 - a. Demonstrates commitment to a Core Value of NDSU Agricultural Affairs.
 - b. Is in either a different department or job position than you. (The Core Values Awards are designed to recognize everyone in Ag Affairs. This includes anyone in Extension, CAFSNR, NDAES, Extension county offices, RECs, etc.).
- 3) Please send a one-sentence statement about your selection to Dr. Lardy (gregory.lardy@ndsu.edu) and cc NDSU.AboutUs.ag@ndsu.edu. Your statement should contain the name, position and department/unit of the next winner, and why you selected them. The email must be sent by the end of the first week of the month. The winners will appear monthly in Dr. Lardy's "About Us" newsletter.
- 4) If possible, please present the Core Values Award publicly, such as at a seminar, during a staff meeting, etc.).

For more information on NDSU Agricultural Affairs Core Values, Mission, Vision and Goals, please visit NDSU Agricultural Affairs Strategic Plan: 2022-2027 at www.ndsu.edu/vpag/.
