Subject: Greenhouses
Date: Tuesday, October 12, 2021 9:18:06 AM

To SBARE,

Please fund the replacement of the research greenhouses at NDSU. The research conducted there helps the North Dakota Agriculture and Horticulture industry remain viable and Competitive in today's economy. My grandparents homesteaded in western North Dakota in 1911 any research which helps the small family farm remain viable is very important.

As a Master Gardener and home gardener the research helps me maintain my landscape with the best plants for longevity and ecological responsibility.
